Urgent Prayer Requests

Prentice Boyd: Pray a quick recovery with little lasting damage from a stroke he had on September 25.

From the Director of NICE ...

You have no doubt seen news reports of the horrific wildfires here in the Northwest. Some of these wildfires have been affecting our Missionaries and their churches. Remember them in prayer in the days ahead!

Nate & Muriel Shinn, Ashland Bible Church, OR: The neighboring towns of Phoenix and Talent had extensive loss. Five families in the church lost their homes. The church housed some for a period of time, and are responding with aid as needed.

Stan & Virginia Poeschel, Happy Camp Bible Church, CA: Fires destroyed 150 homes around them, the first of which was their son's home. They needed to evacuate and are currently living with a grandson in Redding. The church and parsonage didn't sustain any damage, but they don't know when they will be able to go back.

Roger & Emily Hayden, Cambridge Bible Church, ID: A fire broke out behind their town, but rain helped contain it.

Charlie & Renee Olson, Southwick Bible Church, Kendrick, ID, former NICE Board member: None of their church family lost homes, though some out buildings burned. Charlie fought fires, as well as the church becoming a temporary shelter for a time.

Karen Faires, Financial Secretary, Bonney Lake, WA: Karen actually saw the transformer blow across the street from the culdesac where she lives that caused the Bonney Lake fires, and was the one to call 911!

Bob & Judi Allen, W WA Field Director, Office Manager, Hobart Community Church, WA: The Bonney Lake fires necessitated the evacuation of both of their children and their families. Their son's family stayed with them for several days. Praise the Lord the fire stopped within a mile of their new home.
