Urgent Prayer Requests

NICE Family: Pray for several of our NICE Family who are approaching, or are in, times of transition and change ... either in ministry or in their personal lives. Pray for wisdom to recognize open and closed doors, and for courage and grace to face life's uncertainties.

Thanking the Lord for Beau & Kimberly FLOYD ...

Beau and Kimberly Floyd knew that the Lord was calling them to church plant in Idaho Falls. They also felt that they needed to have the association and counsel of a partner organization since Beau was fresh out of seminary. Following a conversation with a pastor friend, IFCA member Tim Jeske, the Floyds applied to NICE and were accepted in 2016. Beau commented, *"We have been overwhelmed by the prayer support from NICE and supporting churches and ministries. Several current church members (Including our first additional elder) were referred to us after relatives in a NICE church in Washington heard about us during a worship service."* **Emmaus Road Church** has outgrown their meeting places in a home, a pottery shop and a school facility. With much rejoicing, in November of 2020, they moved to a place of their own! In describing the church ministry, Beau explained, *"Jesus built His group of disciples, and I believe continues to build His church, based on relational small groups, so we are putting the vast majority of our efforts into building small groups."* Beau is joined in ministry by his wife, Kimberly who juggles working for World Vision, being a mother to Adon, Eliana and Kara along with ministering alongside her husband. The Floyds stressed that the greatest benefit and comfort to them in their partnership with NICE is that NICE and NICE churches pray for them. *"We constantly face situations in which the spiritual opposition is strong, and we know that the only way for us to overcome that opposition is by God's working, and by His answering of your prayers on our behalf."*
