Thanking God for Shelley and Dayle Gale!

After a career with the Los Angeles Police Department, **Shelley Gale** felt God leading him into pastoral ministry. They joined the NICE Family in 2011, and though called to an interim ministry in Arizona for a few years, they wanted to stay connected with NICE. Down-sizing to a 5th wheel trailer allowed them to be available to churches in need, and following the stint in Arizona, they have served in several churches and Bible camps. They moved to Port Angeles to be near their son who was approaching military retirement, and continued to make themselves available for ministry wherever needed.

Currently, they have been helping at **Sequim Bible Church, WA**; a church going through a rebuilding process. Shelley has come alongside Pastor Shane McCrossen to be of help in any way possible. Just recently, the church asked Shelley to come on board as Associate Pastor. Always eager to help build and encourage churches, he and his wife, **Dayle** have jumped right in to this new ministry. Shelley said, *"We are beginning small group home Bible Studies, ACBC Biblical Counseling, women's studies and much more! Dayle is the Assistant Director of the Women's Ministries."* In reflecting on their connection with NICE, Shelley commented, *"It was through our involvement with the Pacific Northwest Regional and NICE that we received much encouragement, direction, advice, and wisdom from those who have gone before us. Had it not been for NICE, our ministry would have been much more difficult!"*

Please uphold Shelley and Dayle Gale in prayer as they need to raise some additional financial support. Pray for spiritual and physical growth at Sequim Bible Church, too.
