Thanking God for Bill & Sharilyn Peters!

Bill and Sharilyn Peters have had a relationship with NICE since 1977 when Bill met NICE missionary, Vance Shafer through a secular work environment, and then met Roy Sprague when he was their evangelism instructor at Cascade Bible Institute. After their marriage, they helped in the planting of a church in the Federal Way, WA area, then began attending Valley Bible Church in Sumner, WA to be mentored by NICE missionaries Frank and Wendy Emrich. In February 1989, the Peters were called to pastor **Goshen Community Church** in Everson, WA. Bill commented, *"We were told that the ministry might be difficult because of the age of the people at Goshen and the rural area. But we fell in love with the people and the area, and were content."* God provided an added area of ministry in placing both Bill and Sharilyn in jobs with the local school transportation district, where they have worked for 20+ years.

This June, the Peters will be concluding their ministry at Goshen Community. Bill stated, *"As with any ministry, there have been great times and difficult times, but we are so thankful that God brought us here! After 30 years, we feel it was time to make a change and look forward to what God has in store for us."* He went on, *"We also feel that it has been a privilege to be part of a mission like NICE that seeks to serve the Lord. We have so appreciated the examples of faithful servants in the mission along with their advice when we sought it. The ones that come to mind are the Spragues, the Brubakers, and now the Rodgers."* Remember to pray for Bill and Sharilyn as they look to what the Lord would have for them in the future.
