## Urgent Requests ...

**Men called to Ministry:** Pray that the Lord would raise up men who are qualified to minister, and feel led to do so through NICE.

**NICE Project Churches:** Many of the churches pastored by NICE Missionaries saw increased visitors on Easter Sunday. Pray that the Word preached would bring spiritual fruit, and that these individuals would return.

## Thanking the Lord for Beau & Kimberly FLOYD ...

**Beau and Kimberly Floyd** knew that the Lord was calling them to church plant in Idaho Falls, but felt that they needed to have the association and counsel of a partner organization. Following a conversation with a pastor friend, IFCA member Tim Jeske, the Floyds applied to NICE and were accepted in 2016. Beau commented, *"We have been overwhelmed by the prayer support from NICE and supporting churches and ministries. Several current church members were referred to us after relatives in a NICE church in Washington heard about us during a worship service."* **Emmaus Road Church** has outgrown their meeting places in a home, a pottery shop and a school facility, and are currently using a Baptist church facility on Saturdays. In describing the church ministry, Beau explained, *"Jesus built His group of disciples, and I believe continues to build His church, based on relational small groups, so we are focusing our efforts into building small groups."* Beau is joined in ministry by his wife, Kimberly who juggles the management of Moose Ridge Coffee Shop, which they own and operate, along with being a mother to three. The Floyds stressed that the greatest benefit and comfort to them in their partnership with NICE is that NICE and NICE churches pray for them: *"Spiritual opposition is strong, but God is working and is answering of your prayers on our behalf!"*
