Thankful for the Ministry of Timothy & Brenda Atkins

During the Spring Regional meetings of March 2004 in Sequim, WA, Timothy Atkins, Bob Rodgers, Roy Sprague, and Donn Jackson met for the first time as the leadership committee for a new church planting effort. **Timothy and Brenda Atkins** had joined NICE in October 2003, and moved with their family from Michigan to Washington in May 2004 to begin ministry in the Puyallup/South Hill, WA community. The Atkins value their connection to NICE and the Pacific Northwest Regional; Timothy explained, *"NICE and IFCA Churches here in the Northwest have been a much appreciated and needed support through each step in starting and continuing this church planting ministry."* Beginning with home Bible Studies, and then starting Sunday services a year later, **Faith Bible Church** has continued to grow spiritually and numerically. Since 2016, they have met in a church building in partnership with South Hill Baptist Church. Early on, evening services were held at Silver Creek Retirement and Assisted Living, though these are currently on hold during the current health pandemic.

From the beginning, the Atkins have ministered as a family, using contacts through their children's sports activities and schools as a means of outreach. Their two oldest children are now attending Cedarville University in Ohio, with another in High School, and one in Middle School. Timothy also currently serves as the President of the Pacific Northwest Regional of IFCA International, coordinating their twice yearly conferences. Pray for the Atkins and Faith Bible Church, that they would see open doors for the Word of God in the Puyallup/South Hill Community, and would grow and mature as they shine for Christ in the South Hill area.
