Thanking the Lord for Robert & Bethany ZINK ...

Robert and Bethany Zink have described themselves as "NICE groupies". When they were raising support to serve as church planters in Argentina, they attended Regional meetings and Annual Conferences. They found themselves at a lot of the same events as NICE Director, Bob and Katherine Rodgers, forming a close relationship. After a number of years serving in Argentina, when the Lord seemed to be leading them back to the States, they sought the Rodgers' counsel. They returned to the Northwest in 2020, and Robert commented, "We decided that we wanted to be under the leadership of Bob and Katherine, and were officially accepted as NICE Associates in January 2021. We were interviewed by the Board on Zoom while we were also candidating at **Coal Creek Church, Longview, WA.**" Because of their high regard for their mission board in Argentina, Biblical Ministries Worldwide, the Zinks also continue to serve with BMW as a Partnering Catalyst. Robert explained, "It's a fancy way of saying that I am developing partners for BMW. Those partnerships are strategic in working towards the goal of starting a church planting network in the Northwest. I am tasked with setting the vision, goals, and leadership for this endeavor." In addition to ministering as Pastor of Coal Creek Church, Robert is the NICE Pacific Central Region Field Director. He added, "We're still groupies, following the Rodgers to many events, and it's been a beneficial relationship. NICE is a unique organization, in its culture, in who it works with, and in how it works. It is comprised of some of the most gifted, wise, and godly individuals. You only need to look at its history of directors and their wives since its inception to know that's true. This is why we wanted to sit under the leadership of NICE." What a joy to have Robert, Bethany and their 3 children, Elijah, Thomas and Naomi as a part of the NICE Family! Do uphold this couple in prayer as they minister in many ways!
