God at Work Through Northwest Independent Church Extension

DECEMBER 2021

Dear NICE Partners,

Many thanks to you for your faithful commitment to Northwest Independent Church Extension! Our vision is "to be a mission of committed servants partnering with churches to reach the Northwest to reach the world by planting and assisting churches for transformed lives". Your dedicated partnership and financial support is crucial to this vision and mission. In this season of gratitude and celebration, on behalf of the NICE Home Office and Board of Directors, **I want to personally express our gratitude for your faithfulness.**

I'm very much reminded of Paul's words in Philippians: "I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ." (ESV)

*In divisive times like the past few years, your partnership reminds me we are better in Christ, and better together; what unifies us is greater than what divides us. "There is one body and one Spirit—just as you were called to one hope when you were called—one Lord, one faith, one baptism; one God and Father of all, Who is over all and through all and in all." (Ephesians 4:4-6, NIV) **Thank you for being a living expression of these truths!***
