## An Unforgettable Summer!

A recent online article listed more than 60 unforgettable things to do in the summer! For NICE Missionaries, the summer is a time of Gospel outreach for the purpose of producing an unforgettable spiritual harvest – this summer is no exception.

• **Jeff and Mary Mullins** will be having a church picnic as well as campfires throughout the summer at Canaan Community Church as a means of outreach and fellowship. They also plan to take part in the local fair as well as other community events.

• **Matt and Annette Daniells** and the Keyport Bible Church participate in the Community Garden Walk. The Keyport Garden Club explained, "First started in 2012, Keyport GardenWalk has quickly grown to be a top tourist attraction for the historic borough of Keyport and attracts thousands of visitors." When participants come to the church, they are welcomed by the church youth bake sale, and are then escorted through the church's beautiful garden. Later this summer, the community will be invited to join the church family for the All Church Mariners game. Matt said, "I've been encouraged by the relationship that Keyport Bible Church has with the community!"

• **Ed and Linda Studtmann** serve two churches – one in Ukiah and the other in Long Creek, OR. The Camas Creek Bible Fellowship has VBS followed by a Youth Sports Camp. Teams from another Oregon church are helping with these events and then participating in work projects in the community. The New Life Bible Church is involved with the local food bank as well as the fire and ambulance services – all for the purpose

of bringing help and hope in Jesus' name.

• **Josh and Rebecca Shetler** have a 5 day Club in their neighborhood where the members of Moscow Bible Church help with crafts, games, snacks, teaching and music. Josh exclaimed, "We are very blessed and are praying for the kids who will attend, most of whom are from unchurched homes."

• **Stan and Virginia Poeschel** are thrilled by the summer outreach of both the men's and women's Bible Studies. Virginia commented, "Our women's study just this morning included 5 ladies whose husbands are here in the area mining for gold." God is at work through

Happy Camp Bible Church! Stan shared, "We began our evening Bible Study and 10 young men walked in who are river rafting guides working here for the summer!"

• **Jose and Ruth Alvarez** are excited as they and the members of Iglesia Biblica de Evergreen plan a Festival of Foods from the different countries which are represented in the church. The main purpose is to express the Gospel and love of Christ in the local Hispanic community surrounding them. Ruth stated, "As a church, we are excited about this opportunity to share Christ and to make our church ministries known in the Hispanic community!"

Please pray for our NICE missionaries as they are touching lives for Christ! Summer 2022 can very much be an unforgettable summer when seen from eternity's viewpoint!
